Why does ATL Safety Ltd hold this information?

We may hold your personal data for the following purposes:

Where it is in our legitimate interests to maintain a database of approved clients who we have or will be working with in the future.

To enable us to carry out any function or obligation arising from any contract entered between your Business and ATL Safety Ltd

To enable us to comply with any legal obligation we are under.

Who will ATL Safety Ltd share your personal data with?

Your personal data will be treated in confidence by ATL Safety Ltd, UKATA*** and our contracted IT Company and will not be shared with any other third party.

How can I access or correct information that you hold about the company?

We will need an email from your company's main contact(s) in order to make available/amend any details that we hold, this provides an auditable trail of the request and any actions that may arise from such a request. Emails should be directed to your usual contact.

In order to protect your privacy and security, we will always take reasonable steps to verify your identity before making any amendments to a company's details. If you are dissatisfied with the manner in which your personal data is collected or used, you may contact the Information Commissioner's Office.

If you have any further questions, please do not hesitate to contact our Data Protection Officer
